

Marshdale and Wulf Outdoor Court Guidelines and Rules:

COURT TIMES AVAILABLE SUNRISE to SUNSET, MONDAY – SUNDAY, weather permitting

Guidelines and Court Rules:

1. EPRD has the right to change times or add classes and programs as needed.
2. Any group that promotes or organizes play on courts must submit a reservation request or Park Permit request.
3. West court is intended for pickleball play only. East court is a multi-use court and available for drop-in tennis outside of schedule pickleball play. Refer to schedule.
4. If fewer than 17 pickleball participants are in attendance, during scheduled play, the West court must be used and the East court is available for tennis.
5. **When all 8 courts are scheduled for pickleball, the following system should be used to match players of different skill levels. Advanced and Upper Intermediate players should use the 4 north courts while Intermediate and Social players should use the 4 south courts. The number of courts assigned to these levels may be adjusted if more players of one group far outnumber another.**
6. Pickleball nets should be removed from East court, after play, and stored against fence.
7. No outside individual or group lesson/instruction is allowed. Go to evergreenrecreation.com for information on lessons.
8. No pets on the courts at any time.
9. All other EPRD Park Rules must be followed at all times.
10. No lawn chairs inside the court area to limit damage to the courts.

Please be respectful of all participants and do not enter the gate during active play, chase balls or socialize on courts while match play is occurring.

If interested in reserving the indoor gymnasium at WRC, contact Jeff Sweet, 720-880-1221. If interested in reserving the Marshdale outdoor courts, contact Krista Emrich, 720-880-1016.
