Insurance Based Program Class Descriptions

AQUA STRETCH & TONE - This zero-impact, low-intensity class improves flexibility and range of motion. It's also designed to aid in injury rehabilitation and alleviates issues associated with arthritis.

MAT PILATES - A series of stretching and strength exercises performed in a sequence to strengthen your core, (abdominals, back, hips and glutes)

SILVER AND STRONG - Increases muscle strength and range of movement to improve daily living activities. A chair is provided for seated or standing support.

SILVERSNEAKERS® CLASSIC — Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, resistance bands and a SilverSneakers® ball are offered for resistance. A chair is used for standing support.

SILVERSNEAKERS® CIRCUIT — Combine fun and fitness to increase cardiovascular and muscular endurance power with a standing circuit workout.

SILVERSNEAKERS® YOGA - Will move your whole body through a complete series of seated and standing yoga poses. Restorative breathing exercises and final relaxation will promote stress reduction and mental clarity.

VORTEXERCISE - Classes conducted in the vortex against water current, intensity varies while improving endurance, strength and cardiovascular fitness.

WATER AEROBICS - Classes offer a variety of workout and intensity levels, incorporating both zero- and moderate-impact, to increase flexibility, range of motion and muscle strength.

WATER WALKING - This low- to moderate-impact and intensity class offered in the vortex improves fitness, balance and cardiovascular strength.
